

## FOODBANK VICTORIA STRATEGIC PLAN OVERVIEW 2017-22

### OUR VISION

Healthy food for all

### OUR MISSION

Sustainably sourcing and distributing healthy food so that all Victorians can be food secure

### OUR VALUES

- **Empowerment**
- **Accountability**
- **Respect**
- **Integrity**

### OUR GOALS

#### • **Food**

Source and distribute the healthy food required for all people in Victoria to be food secure

We will increase our volumes and product mix of food items to provide the most comprehensive service to Victorians in need, with a focus on supplying healthy and nutritious food. We will also significantly increase the range of hygiene and personal products available.

#### • **Funds**

Build a sustainable funding platform to achieve our goals

We will mobilise governments, partners, philanthropists and the community to invest in our work. We will grow our income and diversify income streams to meet our vision and manage funds to maintain our cost effectiveness and impact.

#### • **Community**

Empower our community to advocate for and achieve a food secure Victoria

We will inspire, empower and educate our community to provide food security for all Victorians. We will share our learnings and findings, and collaborate with our community partners to provide platforms for change.
